

MMHC CHILD & FAMILY SERVICES BUILDING

The Child and Family Services Building provides a central facility for numerous branches of the MMHC.

Location: Kingman, AZ

Markets: Healthcare

Loven Contracting constructed the Child and Family Services building in partnership with Mohave Mental Health Clinic (MMHC) located in Kingman, Arizona. The Child and Family Services Building provides a central facility for numerous branches of the Mohave Mental Health Clinic that had previously been disconnected and spread out across various, temporary locations in the Kingman area. Standing at two stories, the scope of our healthcare construction services on this 16,590SF facility includes:

- Forty new office spaces for physicians, nurses, supervisory, and consulting staff;
- A 1,146SF conference room as well as two smaller conference rooms at 572SF;
- A medical resource library;
- A spacious reception, lobby, and child play area that utilizes a storefront with optimal mountain views;
- A separate-entrance pharmacy;
- Indoor and outdoor play and observation areas;
- Employee break rooms and designated maintenance storage and printing areas;
- A spacious parking lot with 110 available spaces.

A spacious reception and lobby area.

Expanded parking includes photovoltaic energy integrated into the shade structures.
